

Excellence in Private Label, Consumer  
Confidence and Environmental Commitment.

OWN LABEL

We work with manufacturers all over the **world** to bring our clients the most **innovative** products and **value**

SNG Commercial not only develops leading branded products but also through our strong manufacturer relationships that have been built over time, we are able to bring the very best prices for all your own-brand label retail requirements.

Products categories we supply for are:

- Household Cleaning.
- Laundry Detergents & Conditioners.
- Shower Gels & Shampoo's.
- Cosmetics.

*'Excellence in Private Label, Consumer Confidence and Environmental commitment.'*

## OUR BRANDS

Building brands our customers can **trust** for the highest quality **value**

Through our research and development we are able to provide a range of varied products from small compact sizes through to big bulk versions, with variance's in required quality available to ensure we have a product solution for any type of retailer.

We ensure:

- Low price points for the consumer.
- Wide product variances available, designed specifically for your USP's to increase brand loyalty and repeat purchase.
- A much higher margin with our best in industry supply and production costs.
- Leading brand quality in all aspects from packaging, look, feel through to the results your product will provide.

We are serious about our commitment to sustainability and the image your products create so let us become your partner and help you to achieve the brand success your products deserve.

*'Excellence in Private Label, Consumer Confidence and Environmental commitment.'*

## OUR RESPONSIBILITIES

Providing maximum **value**  
for money, whilst helping  
**protect** our beautiful planet  
from waste

We provide clear instructions on how to maximise the use of our products to ensure that the consumer receives maximum value for money whilst protecting our beautiful planet from waste.

- Clear dosing instructions with all our products.
- We use recyclable packaging.
- We always use sustainable sourcing for our products.
- Our products are tested to ensure bio-degradation to protect our planet.
- We are committed to reducing our carbon footprint.
- We use compact packaging to ensure that we maximise logistics.
- We are moving to PET packaging on many of our lines to ensure less impact to the environment.

*‘Excellence in Private Label, Consumer Confidence  
and Environmental commitment.’*

## Standards

Through the use of Manufacturing Partners we are able to ensure the use of Manufacturing facilities that conform to the highest standards with strong commitments to excellence in quality.

- ISO 9001 Certified production facilities.
- Eco label range of products
- Associate member of the A.I.S.E

We have production lines available for:

- Liquid household lines
- Lines for solid household products
- Liquid sachet production lines
- Production lines for cleaning wipes and wet wipes.

*‘Excellence in Private Label, Consumer Confidence  
and Environmental commitment.’*

## Packaging

SNG has the ability to produce suitable and custom packaging dependant on our clients specific requirements.

Our plastic bottle options include careful consideration to size, weight and overall volume ensuring that we strive to maximise the overall output of a product and environmental affects are continuously reduced.

*‘Excellence in Private Label, Consumer Confidence and Environmental commitment.’*

## Labs and Research

We employ both independent testing facilities and in house facilities to test our products. These contracted labs and testing facilities provide custom formulations specific to every requirement and consumer proposal.

Including:

- Phosphate free products
- Concentrated and Ultra Concentrated product formulations
- Hypoallergenic and Dermatologically tested products

*‘Excellence in Private Label, Consumer Confidence  
and Environmental commitment.’*

## Transport and Logistics

We have an integrated and efficient logistics partner for shipping both inside and outside the UK. We have teamed up with a leading transport network and a founding member of the Partner Link network ensuring we can deliver our products no matter the shipment size with a 24 hour turnaround.

Outside of the UK we have made a network of key distribution partners to ensure that we maximise every opportunity to meet with all our clients demands.

*'Excellence in Private Label, Consumer Confidence  
and Environmental commitment.'*
